It is Annual Report time once again. This is probably not on your TOP TEN LIST of favorite things, but it is a necessary one. The Annual Reports help us fulfill reporting requirements we have denominationally as well as being a step in the renewal of Credentials each year.

- ▶ As a credentialed minister, you are **required** to submit an Annual Ministerial Report by February 15<sup>th</sup> in order to retain your credentials.  
\*\* **Due to changes in LTD rates & billing procedures, it is VERY IMPORTANT for participants to complete the Salary & Benefits section of the Ministerial Report.**
- ▶ **Retirees** may file a report but it is **not** required, *unless* serving a Missionary Church in a paid position.
- ▶ Please complete the report online at **[www.mcusa.org](http://www.mcusa.org)**. If you cannot obtain your login information online, call 260.747.2027 or email **[stats@mcusa.org](mailto:stats@mcusa.org)**.
- ▶ **El reporte ministerial annual está disponible en español en nuestro portal del internet o puede pedir copias al 260.747.2027.**
- ▶ If you require hard copies or have questions, please email **[stats@mcusa.org](mailto:stats@mcusa.org)** or call 260.747.2027.
